11's Red vs Ellenbrook

Better Players: Haydon, Ashton, Drew, Corey, Billy, Josh, Jordan, Glen, Kade

Comments: Our last game was a beauty with both teams displaying great passages of skillful footy during the day to make an extremely exciting game for all to watch. Congratulations to Alex Botterill on his 50th game for the club, and the same goes to Jordan Dyer for his great 50th last week against Basso, well done fellas plenty more to come I hope.

Duane and myself would just like to thank a few people, firstly the HWJFC for giving us the opportunity to coach the kids I don't think there are too many clubs around that are run as well as HW and the committee does a fantastic job. To Grant Raynor for another top job as manager also Nathan Hayden for being the kids' runner all year, great job mate. Thanks to Outy for umpiring so many times this year even when he was under the weather (self-inflicted of course).

And most of all to the parents who have all supported Duane and myself throughout the year by doing the flags, cutting up oranges, and getting the kids to their games and training each week.

But we can't forget the kids themselves who really just keep improving their footy each year. They always try hard and have done themselves, their parents, the club, and Duane and I very proud, hopefully we will see you all next year.

Lastly, but by no means least I'm sure all the parents and kids would like to thank Duane Dyer for the time and effort he puts in to the kids' footy. He is very passionate about his footy and still has plenty to teach the kids as they get older, well done mate.
Mark Doyle

11's Blue vs Kalamunda Gold

Better Players: Michael Fisher, Mitchell Crook, Jay Treasure, Angus Bott, Tyson Barnett, Jake Turvey, Trenton Black

Comments: The final game of the year and the boys all turned up to play. Angus played his 50th game and kicked three goals in the second quarter at full forward with some good marking and straight kicking. The boys played a good brand of team football with plenty of handballing and shepherding going on. As usual the team was pretty much rotated through all positions and quarters and it is very pleasing to see all the boys capable of playing either end. A good way to end the year with numerous goal kickers and to see all the boys playing as a team

12's Blue v Kalamunda

Captain: Daniel Grafham

Better players: **WHOLE TEAM**

Comments: Awesome Effort today! Hard to the ball. Great efforts by all the team. There were some fantastic Goals. Thanks Danny Patching for coaching, great job. Thanks to everyone who helps out. Thanks again to every one throughout the season! Go the Doggies!! Round Robin to go, Keep Smiling!

Tony Colonico

High Wycombe13's vs Mazenod White

High Wycombe 2.4 lost to Mazenod 11.8

Goal Kickers: Josh Grafham 1, Zak Bozanich 1

Better Players: Josh R, Dylan T, Josh G, Emad, Bryce, Callum, Jayden, Kerry

Comments: Today was a disappointing showing against Mazenod, who to their credit, played brilliantly with only 16 players. I don't know what happened, but this was not the same team that has played the last two weeks. You need to man up and stick to your players, they had too many loose men and we made it far too easy for them. Having said that, there were some bright spots. Rhodesy ran hard all game and had plenty of the ball and took a specky mark. Dylan T worked very hard through the middle and also saw lots of the ball. Callum played his best game of the year with good shepherding and plenty of touches. Bryce and Dylan H also put in a great effort. Emad did his usual terrific job on defense with help from Jayden and Shaun. Josh Grafham had a beautiful goal in the second quarter and Zak followed it up with another and I thought it was the start of many, but they were the only 2 goals we scored. Our forward didn't have a chance to shine because the ball simply never came their way. And Kerry made a good showing in his first game back.

Boys, we've got to put this one behind us and focus on the task ahead. We all know how well you CAN play, now let's see you go out and do it! GO DOGGIES!

Thank you to Digby and Jessica for running water and Mr. Marsh for doing goals for us.

High Wycombe 14's vs LaSalle

High Wycombe 12.17 def LaSalle 1.12

Goal scorers: Michael C 4, Brandon H 4, Reece 2, Shane 1, Damon 1

Comments: Fantastic way to finish off the season guys!

It's been a long hard journey, and to finish the home and away season on top of the ladder as minor premiers is great.

But our season is not over yet, **FINALS YEAH!!!!!!!**

This is when we really need to **switch on** and **listen to direction** and play our best footy,

(It could be only two games) to achieve what we set out to do!!!!

A fantastic season boys, I'm so very proud to be a part of this great side.

Coach Mark Hywood

High Wycombe15's vs Mazenod Blue

High Wycombe 12.9 def Mazenod 7.5

Goal Kickers: Mathew Brough 2, Matthew Buxton 2, Daniel Williamson 2, Adam Malone 1, Lucas McCahon 1, Adam Howard 1, Ray Cotic 1, Daniel Sebbes 1, Hayden Rudd 1.

Better Players: Mathew Brough, Ray Cotic, Joel Downard, Adam Howard, Daniel Iffla, Adam Malone.

Comments: It was probably a long way from our best game for the season, but the boys did enough to get the result quite comfortably in the end. Our biggest downfall at the weekends game was our lack of assistance to the ball carrier, our poor selection of options kicking back to the traffic with total lack of vision and the big standout was our lack of manning up when we don't control the ball. Against our opposition on the weekend we got away with being lazy in both mind and body but against our finals opponents we will get badly hurt on the score board if we don't get better in these areas. On the positive side the weekends effort capped off our seasons wonderful record of only one loss in the regular season and I feel the boys know the best we have in us is still yet to come. This group have worked very hard to reach this first goal we set way back in February and their improvement week by week is fantastic. The maturity of the group has grown and they now acknowledge there is no walk up start in finals, everybody's spot is up for grabs and you must earn the right, so well done boys lets go about completing **your** goals **you** set.

Coach – Dale McCahon

WA Football is seeking your feedback! The West Australian Football Commission (WAFC) are undertaking an ongoing program by providing an

online feedback service (“The feedback flank”) on football related topics . The online survey will be focusing on asking respondents to give their personal

thoughts on various topics. The first being **“When should junior footballers begin playing for premiership points?”** this will give participants of the survey an opportunity to give the football world some of their ideas on improving the game.

We would like as many coaches, parents, officials, volunteers, umpires and primary school teachers as possible to complete the survey. The more we can have participate, the better the potential outcomes for junior football in the future. It should only take a couple of minutes to complete the online survey. The online survey will be “live” for the remainder of August to September 17th. The WAFC will release the findings of the survey in October.
