## 9's Red vs Bassendean Black

**Captain:** Ethan Prince

**Better Players** Jayden Kegg, Ethan Prince, Joel MacArthur, Jack Dowsett, Mick Hewitt, Kyle Carter

**Comments:** A great team effort by all the boys today. Their use of the ball in looking for team mates was excellent. It was also good to see the boys trying to use their non-preferred foot if they were caught on the wrong side of their bodies. Thank you to Alex, Jack B, Samuel and Harley who played a quarter each for Bassendean

By Darryl

## 9's Blue vs Bassendean

**Captain:** TJ Cruse

**Better players** The Whole Team

**Comments:** Well done boys, great game! It was a hard fought game, as the other team did not play in their positions, but you can see that coming to training and listening to instructions given has greatly improved our playing. Remember to kick to the players making leads. Also a big "THANKS" to Don (Coach) for umpiring, keep up the great work Boys!

Julie Gilham

## 10's Red vs Bassendean Black

**Better Players:** Ryan Krink, Brayden Howatson, Thomas Gosling, Toby Baddeley, Steven Small, Liam Rogers

**Comments:** Good effort boys! We're starting to play some good footy! We still need to man up, especially in the back line. When we do man up we are a really hard team to beat. Keep up the good effort guys!

Brett Robinson

## 10's Blue vs Beechboro Braves

**Captain:** Jess Cartwright

**Better Players:** Jack Koncsek, Kyle Bentley, Jess Cartwright, Corey Otway, Jack Smallpage

**Comments:**

Not our best game of footy on Sunday, we seemed to have our moments at times and then very quiet. Kids we just need to remember every week to pick up our players and to stay in positions. Congratulations to Jess for being captain and for kicking 2 great goals. Also great to see a couple of the Dockers down at training helping out, the kids had a great time and really appreciated it.

## 11's Red vs Bassendean

**Better Players :** Lekiesha, Alex, Haydon, Ashton, Liam, BJ, Cooper

**Comments:** Really great morning for footy and with training being called off due to the bad weather the kids were really keen to get going. Unfortunately Basso only had 12 players so we sent 4 kids across for the first two quarters, so thanks to those kids that went across. However as usual Basso cracked a sad and decided they no longer wanted our players so we ended up with a heap of kids on the bench and we rotated them around as quickly as possible. The kids were great running off to give their teammates a go. We really saw some great footy played by both sides and the kids got in and had a red hot go today which has been lacking a little in past weeks. Thanks to Jordan for coming down to umpire, great job mate. Let's be ready to go again next week kids, the derby should be a beauty!

Mark Doyle

## 11's Blue vs Bassendean

**Better Players:** Trenton Black, Mitchell Halse, Adam Stewart, Jesse Thompson, Tyson Barnett, Jake Turvey

**Comments:** A dominant first three quarters by our boys with great team work and play on footy. We left Bassendean flat footed and shell shocked. We started to tire by  $\frac{3}{4}$  time but managed to finish off with a couple of goals in the last quarter. Congratulations to Adam Stewart on 50 games, and what a game he had! Well done to all of our team! Great game!

Mick Neal  
Assistant Coach

You all have to work hard for four quarters. Great game, Team! There were some great passages of play and goals today. “Team effort” means we all give 100% all of the time. ## **High Wycombe13's**

### **High Wycombe 5.5 defeated by Midvale 10.8**

**Goal Kickers:** Matt McKenna 2, Zak Bozanich 1, Brody Emmett 1, Scott Usher 1

**Better Players:** TEAM EFFORT

**Comments:** Well, we played Midvale this week at home. We knew it was going to be a challenge and it was. At the start of the game Matt kicked first goal and that put us on a high, but that high came back to the ground when they kicked the next two goals. At quarter time we trailed by two goals. After quarter time we put ourselves back in the game when Zak kicked a goal, then a few minutes later Brody was robbed of a goal by their umpire to even the game up. At half-time we were still two goals down and Midvale started the third quarter with two quick goals, but a ripper of a goal by Scotty Usher put us right back in it. We started the last quarter just one goal down but had a lapse of concentration and Midvale kicked 4 quick goals to seal the game. Fossy had a great game and Emad was a legend on defense. It was a tough one to lose but the boys held their heads up, well done boys, Great game!

## **High Wycombe 14's**

### **High Wycombe 16.16 def Eastern Hills 2.6**

**Goal scorers:** Brandon H 5, Josh 3, Michael G 3, Beau 1, Bryce 1, Damon 1, Shane 1, Outy 1

**Better Players** Hard to pick when you have no passengers!

**Comments:** Firstly, I owe the boys an apology for being late( Sorry guys).

Secondly I'd like to congratulate Angus Hywood on 100 games of junior footy, well done mate.

It was a good effort today, especially when we had so many players in different positions. It was good to see we have even more depth than we thought.

In all it was a good trip up the hill, but we cannot relax yet guys, especially when our next two games are against the teams that got us by 7 points each at the start of the season.

So let's get to training and prepare for these games.

Lastly I would like to thank Dot Kelly and Morag Race for their time and effort in organizing a banner for Angus at the last minute. Thank you very much.

Coach Mark Hywood

GO THE DOGGIES

## **High Wycombe 15's vs Eastern Hills**

### **High Wycombe 28.29 def Eastern Hills 5.2**

**Goal Scorers:** Hayden Rudd 6, Daniel Williamson 6, Matthew Outridge 3, Steven Roost 2, Ray Cotic 2, Ben Hunter 2, John Dumanon 1, Douglas Green 1, Lucas McCahon 1, Adam Howard 1, Jarred Brinkworth 1, Daniel Sebbes 1, Joel Downard 1

**Better Players:** Complete Team Effort

## **(15's Continued)**

**Comments:** Just a super effort by everybody. It was just terrific to see the boys develop a real team emphasis and the ball be given to the player who had worked hardest to present be honoured with the footy. Even as the goals piled on the boys remained focused on the game plan and disciplined about our ball use. It is terrific to see the boys bounce back from the Basso game last week and to see that we learnt a lesson from them. That is every players given the opportunity will do his job as long as we show our TRUST in each other and share the footy. Well done to our thirteen goal kickers and to the guys who didn't get one this week we will keep giving you all your chance and push you all forward until everybody has one so make sure we all grasp our opportunity. Great work guys back to it this week for tougher outing against Ellenbrook.

Dale McCahon - Coach

## **High Wycombe 17's vs LaSalle**

### **High Wycombe 7.14 def LaSalle 3.4**

**Goal Kickers:** Cam Boddy 3, Daniel Collins 2, Nathan Brough and Gabriel Dumanon 1 each

**Better Players:** Ben Yates, Jason Parker, Daniel Wells, Tim Miller, Stuart Barker, Steve Bradford and Gabriel Dumanon.

**Comments:** Well boys, again you have failed to take an advantage to fine tune your game against a bottom side. Reality is a smack in the face sometimes, and over the last 2 weeks, the realization that things are not just magically going to happen has taken place. As a team you still have to do all the really hard work, then the benefits and rewards will follow. After a good start to the year, where the boys would run hard to create, pushed up to switch from behind the ball, worked hard in numbers and didn't just talk about it- they actually did it. The boys have just got ahead of themselves at the moment and have to realize, we now have to return to the basics and have a really good think about how we want to approach Basso this week. Look don't get me wrong, the boys did battle it out today, in some very sub-standard conditions, to put together some really good passages to win in the end, we should all be very happy with that and we are. My point is that the boys shouldn't have had to battle for the win today, they should of been able to take control of this game right from the 1st bounce and play it their way. Yatesy, just never stopped contributing in the ruck and as the kick behind the play rebound. Parks provided a target across half forward initially, then was strong in defense in the 2nd half. Wellsy used his body well and gave options up forward. Tim was very reliable in defense, as was Stuey and Steve B, all spoilt strongly and used the ball well. Gabe was strong in defense early and gave another option up forward in the 2nd half.

Boys - lets pick ourselves up, get over this little flat spot, take more responsibility and prepare for Basso.

From the team - we would really appreciate a couple of the Dads to come forward and offer to run water each week.
